Decora novelties 2023

3 colours + 3 terrazzo tiles + Flora

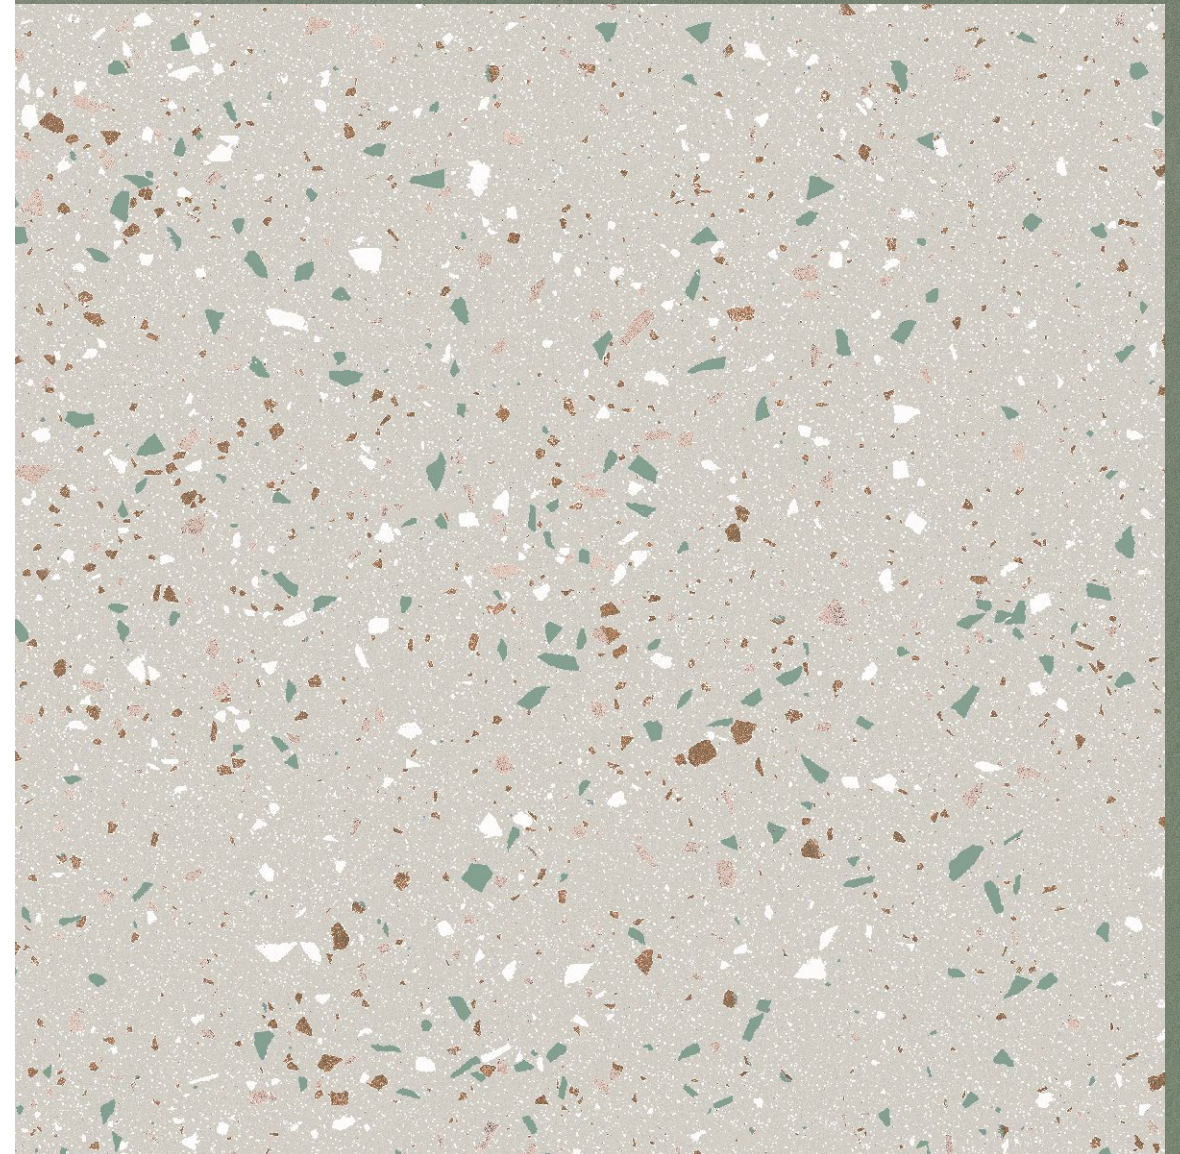

Decora accoglie tre nuove colorazioni, un look terrazzo in tre varianti e un nuovo formato decorativo. Le superfici policrome regalano spazi trendy che riflettono una grande ricchezza visiva, piena di vitalità.

Decora welcomes three new colours, a terrazzo look in three variations and a new decorative size. The polychrome surfaces provide trendy spaces that reflect a great visual richness, full of vitality.

Products that combines designs and trends

4 Il decoro Terrazzo esalta il potenziale espressivo della ceramica e la collezione Decora lo interpreta secondo un duplice punto di vista: grafico-figurativo e uno più squisitamente cromatico-materico. Le micro scaglie, riprendono le tonalità dei fondi, rendendo queste nuove superfici abbinabili all'intera gamma.

The Terrazzo decoration enhances the expressive potential of ceramics and the Decora collection interprets it from two perspectives: graphic-figurative and a more exquisitely chromatic-textural one. The micro-flakes echo the shades of the backgrounds, making these new surfaces match the entire range.

Light colored fragments

I Terrazzi puntano sull'espressività e sui grafismi astratti. Le grandi superfici in formato 120x120 cm riflettono un'estetica moderna e creativa fatta di pattern materici e leggeri al tempo stesso.

The Terrazzo tiles focus on expressiveness and abstract graphisms. The large surfaces in the 120x120 cm size reflect a modern and creative aesthetic made up of patterns that are both textural and light at the same time.
