Impronta Area

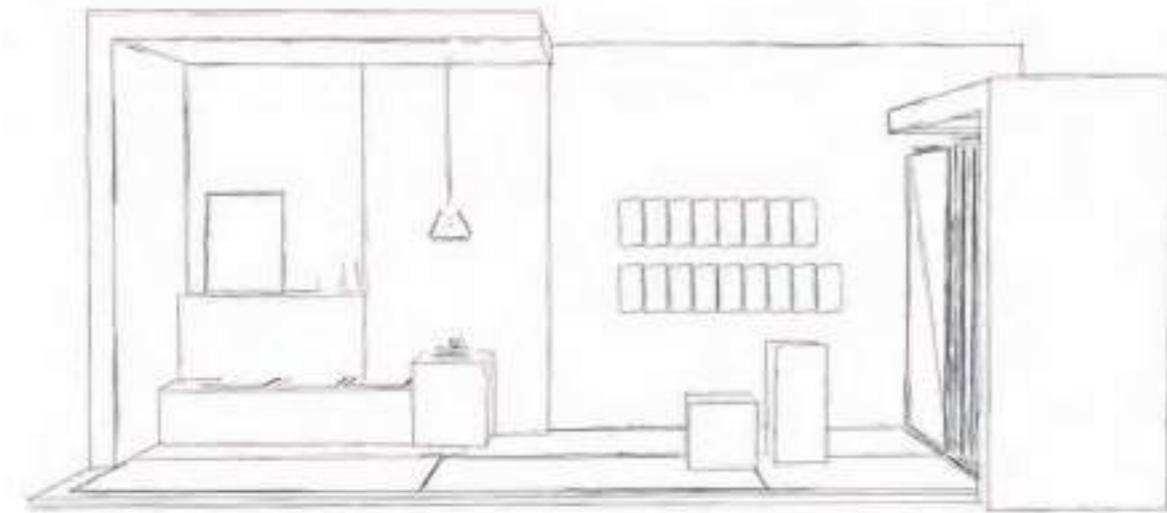

Think new perspectives.
Think extra design.

Il progetto Impronta Area combina bellezza e intelligenza ed è pensato per adattarsi allo spazio che lo circonda. Impronta ha sviluppato un sistema di progettazione modulare, declinato su differenti metrature, per offrire ai propri dealer un'ampia gamma di possibili soluzioni espositive per tutte le collezioni Impronta.

Gli spazi sono stati studiati in ogni dettaglio - schemi di posa, elementi di arredo, sistemi espositivi e di comunicazione - per esporre in modo completo e versatile, e rispondere ad ogni esigenza di spazio e garantire praticità ed eleganza.

Impronta Area project combines beauty and brightness and is designed to fit to any space. Impronta has developed a modular design system, designed on different sizes, to offer its dealers a wide range of possible exhibition solutions throughout a wide range of possible display solutions for all Impronta collections.

The spaces have been studied in every detail - layouts, furnishings, display systems and communication - to expose in a complete and versatile manner and to meet every space requirement and ensure practicality and elegance.
